

Time To Grow

Myrath

Now

They say it's time to grow

Let your childhood go

Life won't give you your chance twice my son

Bring it on and fight

For what you think is right

Never fall to lust and pride

There's no doubt

You can make it on your own

You can make it on your own

I'm proud

Of what you are

You can make it on your own

You can make it on your own

Show

Mercy to the weak

Try to give a hand

What life has tore I'm sure you'll mend

Son

Be a better man

Than I've ever been

It's not hard just trust yourself I'm proud

There is no doubt

You can make it on your own

You can make it on your own

I'm proud

Of what you are

You can make it on your own

You can make it on your own

I'm proud

There is no doubt

You can make it on your own

You can make it on your own

I'm proud

Of what you are

You can make it on your own

You can make it on your own
