

Horse-Drawn Cart

Mystery Jets

If you don't trust me I'll fall

I've wind in my sails
But the seas make me pale
And the floorboards are creaking below

Find me the oars
To row me to shores
Where the natives will say hello

Emotion pulls you like a horse drawn cart
You can but only follow it into the day into the dark

Where are the fruits
Growing from promised roots?
How far can this beer be thrown?

Here, take from me
This supposed ability
My feather's flown further than it was to be blown

Oooh ah ah ah ah oooh ho hoo

Emotion pulls you like a horse drawn cart
You can but only follow it into the day into the dark
Emotion pulls you like a horse drawn cart
You can but only follow it into the day into the dark

If you don't trust me I'll fall
(Trust me I'll fall)
If you don't trust me I'll fall
(Trust me I'll fall)
If you don't trust me I'll fall
(Trust me I'll fall)
If you don't trust me I'll fall
(Trust me I'll fall)
If you don't trust me I'll fall
(Trust me I'll fall)
If you don't trust me I'll fall
(trust me I'll fall)
If you don't trust me I'll fall
(trust me I'll fall)
If you don't trust me I'll fall
(trust me I'll fall)
If you don't trust me I'll fall
(trust me I'll fall)
If you don't trust me I'll fall
(trust me I'll fall)
If you don't trust me I'll fall
(trust me I'll fall)
If you don't (trust me I'll fall, fall, fall)

If you don't trust me I'll fall
If you don't (trust me I'll fall)
If you don't trust me I'll fall
If you don't (trust me I'll fall)
If you don't trust me I'll fall
If you don't (trust me I'll fall)
If you don't trust me I'll fall
If you don't (trust me I'll fall, fall, fall)
