Mystery Jets

MJ

Don't tell anyone Don't tell anyone Don't tell anyone We share a joke in the Well fine, i know how to make you laugh No hang ups between us Not like the other girls in love You're different, confident Our secret's safe with me Red lipstick on my cheek Your love must last all week, girl I can't tell, can't tell, can't tell anyone What we've got going on Don't tell, don't tell, don't tell anyone What we've got going on Hold hands, got plans Don't tell anyone What we've got going on Can't tell, can't tell, can't tell anyone Don't tell anyone Don't tell anyone Don't tell anyone Our love is what others could never come to understand But we like clothes, your heart beats so hard I can hear it with my hand Would love it, if I ever Ever caught your legs wrapped around me Tear you from out my arms And we'd be history, girl Can't tell, can't tell, can't tell anyone What we've got going on Don't tell, don't tell, don't tell anyone What we've got going on Hold hands, got plans, Don't tell anyone What we've got going on Can't tell, can't tell, don't tell anyone Don't let them see us holding hands Our love's one thing they'll never understand Don't let them see us holding hands Cos our love's one thing they'll never understand Can't tell, can't tell, can't tell anyone What we've got going on Don't tell, don't tell, don't tell anyone What we've got going on Hold hands, got plans, Don't tell anyone What we've got going on Can't tell, can't tell, can't tell anyone Don't tell anyone

Don't tell anyone Don't tell anyone Don't tell anyone
