

Two Doors Down

Mystery Jets

I think I'm in love
with the girl next door
It's driving me crazy
I can't take it any more
I hear her playing the drums late at night
The neighbours complain but that's the kind of girl I like

Maybe I should call her up
Invite her around
Or maybe I should move to another town

Oh when I hear those drums late at night
I know I'm in love with a girl who lives
Two doors down
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love

She and her friends sit at the back of the bus
But I'm always too shy to work the courage up
I hear that she likes to dance around the room
To Worn Out Soap and to Marquee Moon

Maybe I should say "What's up?"
Invite her around
Take her for a spin around the town

Cos when I hear those drums late at night
I know I'm in love with a girl who lives
Two doors down
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love
I think I'm in love with a girl who lives

Maybe I should call her up
Invite her around
On Monday we could move to another town

Cos when I hear those drums late at night
I know I'm in love
In love with a girl who lives
I think I'm in love with a girl who lives
(Two doors down)

I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love
I think I'm in love with a girl who lives
(Two doors down)
I think I'm in love
I think I'm in love with a girl who lives
I think I'm in love with a girl who lives
I think I'm in love with a girl who lives
