

## In Hell

### Mystic Prophecy

Baptized into the fire  
I'm the chosen one by forgotten souls  
I'm the burning beast who nailed  
And crucified the angels of death

I am the eternal sin in heaven and hell  
I'm always with you the dream that steals your truth

In hell!!!  
Where the death and pain unite  
The fire still burns inside  
Damnation and decay  
In hell!!!  
Black shadows without souls  
The darkness will reign their world  
Destruction and despair  
In hell!!!

For the sin my heart and my blood  
For the evil my flesh and blood  
I supplicate the cross  
Of the holy church for eternity
