A lot deserve the finer things in life
And I think your one of them
Money ain't shit got loads to blow, show me a signal.
Let me know, if you wanna have a better life then baby you no where to go
Its coming I quick, it ain't flowing in slow
Like I said let me know, if weezy made it rain,
Then I can make it snow

Girlssssss, I'm loving them,
But I won't let them get the best of me
Girlssss, I'm loving them,
I get them all around the world
