

Say It's Over

N-Dubz

Ah ahh ahh
Haa haa haa
Haa haa haa
Naa niiii

I aint gunna lie you were number 1 forever but I dont feel the same no more
I just want you as a friend I'm done trying to pretend they say good things
dont last forever some day they gotta end matter of fact I'm doing you a fav
our Had enough of fucking girls coming back for you later I'm sick of having
to delete everything in my pager baby I aint britney but I'm dropping up ya
rader

She wonder why I never pick up my phone cuz all I'm tryin to do is keep it o
n the low I think I need to let her know before she find out on her own eith
er way I'm gunna break her heart when I tell her go

All my people round the world if you like somebody else
How do you find the words to say its over
Ive been wanting to tell you but I dont know how to tell you
How do you find the words to tell them its over
Baby its killing me this just isnt right for me
I think I like somebody else
Haaa haa haa Nihi

I aint gunna lie you were number one then but it jsut aint the same anymore
your out of my top 10 this aint good for your health if only you knew that e
verytime I'm fucking you I think of somebody else I knew that one of us were
gunna get hurt from the get go I told you I told I said so I hate having to
fake the feeling everytime that we get low it I think its better for the bo
th of us if we let go

She wonders wy I'm nenver round these days but as soon I touch base shel be
all up in my face its the same old shit she enver gives me any space how do
I tell her someones taking her place

All my people round the world if you like somebody else
How do you find the words to say its over
Ive been wanting to tell you but I dont know how to tell you
How do you find the words to tell them its over
Baby its killing me this just isnt right for me
I think I like somebody else

Why should I feel guilty
Its plain to see I aint being myself
Is it wrong I want it from somewhere else
I been holding out for sooo long.
Now Why do I feel guilty
Its plain to see I aint being myself
Is it wrong I want it from somewhere else.
I been holding out for soooo long

Ooohhh wwooo oohhwwoo

Cant take no more
I wont pretend another day
I think its time for me to say exactly how I feel
Cant take no more

I just aint happy anymore
I just keep lying to myselfff

How do you find the words to say its over
I been wanting to tell you but I dont know how to tell you
How do you find the words to tell them its over
Baby it's killing me this just isnt right for me
I think I like somebody else

Why should I feel guilty
Its plain to see I aint being myself
Is it wrong I want it from somewhere else
I been holding out for sooo long.
Now Why do I feel guilty
Its plain to see I aint being myself
Is it wrong I want it from somewhere else.
I been holding out for soooo long

Ha haaa ha haaa
Ha haaaa
Na Naniiiiii
Ha Haaa Ha haaa
Ha haaaaaaaa
