Toot It & Boot It

I met her in the club Then I said wassup I took her to the crib And you know I fucked Yeah toot it and boot it Toot it and boot it Toot it and boot it That's why I toot and boot it

She think I'm cute, she wanna have Sex Girl knock it off you know you can't have this

And she told me run that, I told her run it And she never seen a chick until she met my magic stick Yo I'm a pimp bitch straight game never no sippin And after we did it she was walking with a limp Bust it open leave it wet you know I leave it soakin Who next I don't ever close, I stay open I met her in the club, you know I was drunk I asked her name and then I said I wanna fuck And I'm YG and you know I fucked And she fucked back like a little slut And she fell in love ya And she felt stupid cause you know I toot it and boot it

Girl let me toot that boot that stop actin stupid Acting like you don't know me like who that Walked in the club but I'll fly things I'm in the back girl you know where to find me And I love how she think I'm cute And she don't even wanna tell me what she wanna do It's me and my crew her and her friends And they all trying to leave with us when the club ends And she toot it from the back and you know she made it clap And you know I run it back like Only for one night and she know I'm on like a switch on light Hey girl I can have you feelin right I can supply the pipe Just make sure it's tight We can do it all day only for one night And after that you gotta go

I toot it to the left I toot it to the right Fuck with me we gonna do it all night I seen a bad bitch I swing my hat back And after I hit it's on my back Cause I toot it and boot it And made her feel stupid
