

# Scared Money

N.O.R.E.

Scared money don't make o money  
Scared money don't make o money  
Scared money don't make o money  
I'm a take your money

I'm on my door side feeling shit  
Side side perios that boy in this back  
And that boy ain't' serious  
You chicks get me head on that period  
Make em run [?] they little [?]  
Scared money down make enough  
You wanna go to war you don't make enough  
Have my niggas in the crib when you're waking up  
You know what this is, right?  
Get me head it that

Then I wonder type of beat so they wanna [?]  
No [?] shooter I don't miss my talking  
And fucking I'm a rider mad the stripe tight so I'm busting all the [?]  
Nobody dies a virgin like fuck this all  
I was born poor but what raised the ball  
I'm a grown man pay my own bills  
[?] money I pay my own thrill

[Hook:]  
Scared money don't make o money  
Scared money don't make o money  
If I ever go blow I'm a take your money  
Scared money don't make o money  
They ain't' never gonna grow  
Scared money don't make o money  
As long as the [?] out here (Scared money don't make o money)  
We're gonna be fine  
I'm a take your money, yeah

Scared money don't make none  
You ain't' really got that ass where you came from  
Go fire with the brick made a dollar off the strip  
[?] German engineer with my [?] drums  
Used to gamble with three dice  
456 dreams stead up the green nights  
With roll that [?] from the poll ice  
Thank God for the six beat [?] bad bitches we good  
[?] and mislead, sell it on nigga then we ball nigga  
If we scared then you better get a gall nigga  
Pay the [?] and we plan [?] if you get what you earn we belong in em

[Hook:]  
Scared money don't make o money  
Scared money don't make o money  
If I ever go blow I'm a take your money  
Scared money don't make o money  
Scared money don't make o money  
If I ever go blow I'm a take your money

If I ever go blow I'm a take your money  
Have my niggas [?] snitch and radio honey

Gonna shoot your [?] go money block  
Set it got that work is bring em pace [?]  
As a young I used to look out  
Now we're in the kitchen with peaches having the cook out  
Niggas can't took it, niggas can't took out  
Used to [?] when I pull out  
Maserati, [?] big [?] team killers, long clips big toasters  
Fuck the [?] they buck ti round, get chofer nice cash  
You're talking [?] big [?]

[Hook:]

Scared money don't make o money  
Scared money don't make o money  
If I ever go blow I'm a take your money  
Scared money don't make o money  
Scared money don't make o money  
If I ever go blow I'm a take your money
