

Save Your Breath

Naildown

I'm getting sick of this
Hipocrit creatures

Spreading like a disease
Low level fuel [??]
Don't save your word
Save your breath

Your little Devil's mouth [??]
Just won't shut up

You'll never get
Anyone's blessing

Don't save your word
Save your breath
I'm...
I'm not so blind
I see through your lies
I'm not that blind
Your disguise
Your demise

I'm getting sick of this
Hipocrit creatures

Don't save your word
Save your breath

Spreading like a disease
Low level fuel [??]

Don't save your word
Save your breath
I'm...
I'm not so blind
I see through your lies
I'm not that blind
Your disguise
Your demise

I'm not that blind
Your disguise
Your demise
