## **Always Something There To Remind Me**

**Naked Eyes** 

I walk along the city streets You used to walk along with me, And every step I take reminds me Of just how we used to be.

Oh, how can I forget you, girl When there is always something there to remind me Always something there to remind me

When shadows fall, I pass a small cafe Where we would dance at night And I can't help recalling how it Felt to kiss and hold you tight

Oh, how can I forget you, girl When there is always something there to remind me Always something there to remind me

I was born to love you, and I will never be free You'll always be a part of me

If you should find you miss the sweet
And tender love we used to share
Just go back to the places where we used to go,
And I'll be there

Oh, how can I forget you, girl When there is always something there to remind me Always something there to remind me

I was born to love you, and I will never be free You'll always be a part of me

'Cause there is always something there to remind me

Always something there to remind me (repeat until fade)
