

I'm A Believer

Naked Eyes

I heard a story just the other day
About a man who dreamt his life away
And as I listened to his history
I noticed something very strange, he sounded just like me

Now, I'm a believer, I'm a believer,
I'm a believer, I'm a believer,

I knew a girl who lost her will to live
She said that "life's so hard, I'm off to explore the alternative"
But she was not inclined to harmonize
She said "the road to hell is just like the one to paradise."

Now, I'm a believer, I'm a believer,
I'm a believer, I'm a believer,

Deep in her hell
Wishing for a wishing well
Three wishes never were enough
For any young girl.

Now, I'm a believer, I'm a believer,
I'm a believer, I'm a believer,
