Voices In My Head

Naked Eyes

I don't know why I'm feeling lost
It's only love
I give you everything I've got
It's not enough

Shutting my eyes I find Opening up my mind What is this sound I'm hearing

Voices in my head Telling me beware I hear voices in my head Everywhere

Whenever we're together
It breaks my heart
I've got a fantasy of which
You are a part

Shutting my eyes I find Opening up my mind What is this sound I'm hearing

Voices in my head Telling me beware I hear voices in my head Everywhere

Shutting my eyes I find Opening up my mind What is this sound I'm hearing

Voices in my head Telling me beware I hear voices in my head Everywhere

Voices in my head Voices in my head Voices in my head

. . .
