

# I Don't Know

Naked Raygun

Listen now to what I say  
About the kids of today  
Subscribe to them all your fears  
'Til they become like you

What poor gods we do make  
What poor gods we do make  
What poor gods we do make  
What poor gods we do make  
I don't know  
I don't know  
I don't know  
I don't know

So listen now to what I say  
About the kids of today  
Subscribe to them all your fears  
'Til they become like you

Teach them all your fallacies  
Contain them in reality  
Subscribe to them all your fears  
'Til they become like you

Then a slippage happens  
In your ranks  
And causes all... Your morals sank  
For us to create our own  
And we became like you

What poor gods we do make  
What poor gods we do make  
What poor gods we do make  
What poor gods we do make  
I don't know  
I don't know  
I don't know  
I don't know

What poor gods we do make  
What poor gods we do make  
I don't know  
I don't know
