A Year Spent Cold

Name Taken

so cool and sweet, soft to the last curve of your lips oh does this feel the same, no this cant be, cause this feels cheap whats over now my heart was beared to sole, a heart beared to s ole so how did i hold you this long? maybe you were still runnin and i couldnt see it, was to in love to notice what a fool i am, and still become a man well are you laughing? so now what have we to say to say, heres to farewell and a year spent cold so far and obvious as you say as you say plans your goodbyes and bought and sold, bought and sold so cool and sweet soft to the last curve of your lips did you stop listening, this gash has run deep and in between and setting it in its edge, yea so now what have we to say and to say heres to farwell and a year spent cold so far and obvious as you say as you say plans your goodbyes and bought and sold, bought and sold im aware this aware im aware of guys you like picture this twic е as my pen rose to a swell i can bare blood as u like picture th is time

im sick of watchin your lips, so sick of watchin your lips
move past me, is this for keeps
im tired of watchen your lips so tired of watchin your lips mov
e without me, without me, yeaaaaaa
