

Run Away

Nana Darkman

I Feel Like Runnin' Away
Where Nobody Knows My Name
Just Wanna Live My Life And Give A Damn About My Thing
No One No One Can Tell Me What To Do
Or Walk In My Shoes
One Day
I Wanna Run Away
I Gotta Run Away

rap nana
everytime you point a finger you have three pointin'
back at ya
when i am walkin' through the streets i am feelin' free
like an
amatuer
millions know my name so i receive a lot of literature
widenin' my range i don't posses because i am a visitor
just close ya eyes and tell me what ya see apart from
sinister
open ya eyes again take a look around this ain't cinema
they teach a lot in schools but not the subject called
hustler
to survive in future days ya gotta be ya own manager
no one could do it better than your own i am the
messenger
my office is a mac and iphone and i am tellin' ya
the real world is more than you see on your tele yup
so bring it on stop runnin' ya mouth and show me your
stamina

I Feel Like Runnin' Away
Where Nobody Knows My Name
Just Wanna Live My Life And Give A Damn About My Thing
No One No One Can Tell Me What To Do
Or Walk In My Shoes
One Day
I Wanna Run Away
I Gotta Run Away

Rap nana
ya might smell some cash but i prefer smellin' roses
there is no other man than god and you know this
we've been doin' this for long ask ya dad he might know
this
long time before toni and (d.j.) Shahin produced
bro'sis

I Feel Like Runnin' Away
Where Nobody Knows My Name
Just Wanna Live My Life And Give A Damn About My Thing
No One No One Can Tell Me What To Do
Or Walk In My Shoes
One Day
I Wanna Run Away
I Gotta Run Away

I Feel Like Runnin' Away

Where Nobody Knows My Name
Just Wanna Live My Life And Give A Damn About My Thing
No One No One Can Tell Me What To Do
Or Walk In My Shoes
One Day
I Wanna Run Away
I Gotta Run Away
