

Hold Me, Thrill Me, Kiss Me

Nana Mouskouri

Hold me, hold me, never let me go
Until you've told me, told me what I want to know
And then just hold me, told me
Make me tell me I'm in love with you

Thrill me, thrill me, walk me down the lane
Where shadows will be, will be hiding lovers
Just the same as we'll be, we'll be
When you make me tell you I love you

They told me, "Be sensible with your new love
Don't be fooled thinkin' this is the last you'll find"
But they've never been in the dark with you, love
When you take me in your arms and drive me slowly outta my mind

Kiss me, kiss me, and when you do
I know that you will miss me, miss me
If we ever say adios, so kiss me, kiss me
Make me tell you I'm in love with you
