

# I Don't Know Why

Nana Mouskouri

I don't know why the sky is so blue  
And I don't know why I'm so in love with you  
But if there were no music then I would not get through

I don't know why  
I know these things, but I do

I don't know why but somewhere dreams come true  
And I don't know where but there will be a place for you  
And every time you look that way I would lay down my life for you

I don't know why  
I know these things, but I do

I don't know why but some are going to make you cry  
And I don't know how but I will get you by, yes I will try  
Oh they're not trying to cause you pain they're just afraid of loving you

I don't know why  
I know these things, but I do

I don't know why  
I don't know why

I don't know why  
I know these things, but I do

I don't know why the trees grow so tall  
And I don't know why, well I don't know anything at all  
But if there were no music then I would not get through

I don't know why  
I know these things, but I do

I don't know why  
I know these things, but I do
