Love changes everything

Nana Mouskouri

Love, love changes everything Hands and faces, earth and sky Love, love changes everything How you live and how you die Love can make the summer fly Or a night seem like a lifetime Yes love, love changes everything Now I tremble at your name Nothing in the world will ever be the same

Love, love changes everything Days are longer words mean more Love, love changes everything Pain is deeper than before Love will turn your world around And that world will last forever Yes love, love changes everything Brings you glory, brings you shame Nothing in the world will ever be the same

Off into the world we go Planning futures, shaping years Love bursts in and suddenly All our wisdom disappears Love makes fools of everyone All the rules we make are broken Yes love, love changes everyone Live or perish in it's flame Love will never never let you be the same

Love will never never let you be the same
