

# Our Last Song Together

Nana Mouskouri

Days of devils, kings and clowns  
Angel songs and birthday tunes  
Valentines and wishing wells  
Magic stairways, moons and jewels  
Silly rhymes and monkeyshines  
Pictures on a stage  
Round and round the records go  
Time to turn the page

This will be our last song together  
Words will only make us cry  
This will be our last song together  
There's no other way  
We can say goodbye

Misty faces, far off places  
Came and danced across the room  
Sha la la's and Doo be da's  
The sounds that chased away the gloom  
Yesterday is yesterday  
The past is dead and gone  
Nostalgia just gets in the way  
Let's stop hanging on

This will be our last song together  
Words will only make us cry  
This will be our last song together  
There's no other way  
We can say goodbye

Now we go our separate ways  
And leave the world we used to know  
A scratchy worn out 45  
An echo on the radio  
The trala days are over  
Those days of me and you  
Now we know that breaking up  
Is really hard to do

This will be our last song together  
Words will only make us cry  
This will be our last song together  
There's no other way  
We can say goodbye

This will be our last song together  
Words will only make us cry  
This will be our last song together  
There's no other way  
We can say goodbye
