

# Lonely Again

Nancy Sinatra

Lonely again  
No arms around me

You told me that others before you  
Were foolish to cause me to cry  
And just when I learned to adore you  
You kissed one more dream goodbye

And left me lonely again  
Just like you found me  
Lonely again  
No arms around me

Just when I'm sure  
That my heart is secure  
That my teardrops are dried  
With the warm blow inside

And this love of mine  
Till the end of the line  
That's always the time  
That I'm lonely again

You told me you wanted me only  
And that this time and this love would last  
Well, you told me I'd never be lonely  
And now, you belong to the past

And I'm still lonely again  
Just like you found me  
Lonely again  
Nobodys arms around me

Just when I'm sure  
That my heart is secure  
And my teardrops are dried  
With the warm blow inside

And this love of mine  
Till the end of the line  
That's always the time  
That I'm lonely again
