

## Sand

Nancy Sinatra

Young woman share your fire with me  
My heart is cold, my soul is free  
I am a stranger in your land  
A wandering man, call me sand

Oh sir my fire is very small  
It will not warm thy heart at all  
But thee may take me by the hand  
Hold me and I'll call thee sand

Young woman share your fire with me  
My heart is cold, my soul is free  
I am a stranger in your land  
A wandering man, call me sand

At night when stars light up the sky  
Oh sir I dream my fire is high  
Oh taste these lips sir if you can  
Wandering man, I call thee sand

Oh sir my fire is burning high  
If it should stop sir I would die  
A shooting star has crossed my land  
Wandering man

She whispered sand

Sand

Young woman shared her fire with me  
Now warms herself with memory  
I was a stranger in her land  
A wandering man, she called me sand

He was a stranger in my land  
A wandering man

She called me sand
