

The Shadow Of Your Smile

Nancy Sinatra

The shadow of your smile
When you are gone
Will color all my dreams
and lights the dawn

Look into my eyes my love and see
All the lovely things you are to me

Our wistful little star
Was far too high
A teardrop kissed your lips
And so did I

Now when I remember spring
all the joy that love can bring
I will be remembering
The shadow of your smile

Now when I remember spring
All the joy that love can bring
I would be remembering
The shadow of your smile
