

# All Through The Night

Nancy Wilson

The day is my enemy, the night my friend,  
For I'm always so alone till the day draws to an end;  
But when the sun goes down and the moon comes through,  
To the monotone of the evening's drone I'm all alone with you.

All through the night,  
I delight in your love,  
All through the night you're so close to me!  
All through the night,  
From a height far above,  
You and your love brings me ecstasy!

When dawn comes to waken me,  
You're never there at all!  
I know you've forsaken me  
Till the shadows fall;  
But then once again I can dream, I've the right  
To be close to you all through the night.
