

Did I Remember

Nancy Wilson

Did I remember to tell you I adore you
And I am living for you alone?
Did I remember to say I'm lost without you
And just how mad about you I've grown?

You were in my arms and that was all I knew
We were alone, we two, what did I say to you?
Did I remember to tell you I adore you
And pray forevermore you're mine?

You were in my arms and that was all I knew
We were alone, we two, what did I say to you?
Did I remember to tell you I adore you
And pray forevermore you're mine?
