

## Go Away Little Boy

Nancy Wilson

Go away little boy  
Go away little boy  
I'm not supposed to be alone with you  
I know that your lips are sweet  
But our lips must never meet  
I belong to someone else  
And I must be true

Oh go away, little boy  
Go away, little boy  
It's hurting me more each minute that you delay  
When you are near me like this  
You're much too hard to resist  
So go away little boy before I beg you to stay

When you are near me like this  
You're much too hard to resist  
So go away little boy before I beg you to stay
