

# Jenny

Naomi Terra

Jenny i think you've lost your mind  
Jenny the friends you thought you had  
Have left you all behind  
Jenny there's truth in unkind words sometimes  
Take what you need and leave the rest for someone else to find  
and

Now you wanna show it to the world  
You wanna show them just what happens  
When you hurt a girl  
And

Jenny i think you've lost your mind  
Jenny i think you've lost your mind  
Take that trophy from your hands  
And just put it down you can  
We all have to lose sometimes

It'll be better in a year  
You'll forget everything you thought was so important here  
Jenny you know even the darkest clouds will disappear  
Everyone goes through this it's part  
Of life

Now you wanna show it to the world  
You wanna show them just what happens  
When you hurt a girl  
And

Jenny i think you've lost your mind  
Jenny i think you've lost your mind  
Take that trophy from your hands  
And just put it down you can  
We all have to lose sometimes  
We all have to lose sometimes  
We all have to lose sometimes
