I see the lights are turning

Emi7 Cadd9 G G/F#

and i look outside the stars are burning

through this changing time

it could have been anything we want

its fine salvation was just a passing thought.

Dont wait act now

this amazing offer wont last long

its only a change to save the path were on

i know there are more exciting things to talk about

and in time well sort it out

And thought they say its possible to me

i dont see how its probable

i see the course were on

spinning farther from what i know

ill hold on

tell me that you wont let go

tell me that you wont let go

And truth is such a funny thing

with all these people

keep on telling me

they know whats best

and what to be frightened of

and all the rest are wrong

they know nothing about us

And thought they say its possible to me

i dont see how its probable

i see the course were on

spinning farther from what i know

ill hold on

tell me that you wont let go

tell me that you wont let go

Im not alright...

This could be something beautiful

combine our love into something wonderful

But times are tough i know

and the pull of what we cant give up takes hold
