

# Angels Are Crying

Narnia

Look and see  
What we've created  
I'm not proud of what I see  
We are living in a world of confusion  
Lies don't bother us anymore

We're the last generation  
Still we live the same way as in Babylon  
Oh no! We haven't learned the lesson

The angels are crying  
When they see what we have done  
See the angels are crying, crying

We can't hear the spirit talking  
Too deaf and blind to hear and see  
We're too proud to change the way of living  
Always eye for an eye

Look out! Look out!  
The angels are crying  
When they see what we have done  
See the angels are crying, crying
