

Trapped In This Age

Narnia

I'm tired and frustrated
Standing at the crossroad
Which one is the right?
It's hard to choose the right way
Listening to my heart's voice
But I can't hear the words, no!

Dazed and confused
My mind is black

Chasing for fame
Chasing for fortune
Trapped in this race
Want a quick solution
Chasing for love and confirmation
Trapped in this age

When I was younger
I knew all the answers
Everything was alright
It was easy living and no responsibility
For me and my life

You see my wounded soul
Hear my silent cry
I pray to you I don't wanna die
You know my sorrow
You know my sins
I'm afraid I don't wanna die

You see my wounded soul
You hear my silent cry
I pray, I pray, I pray to you
