

Who Do You Follow?

Narnia

Are you awake?
Many will fall asleep to the warning sirens
People will die, all for a lie
As they feed it 'til it kills
Soon the day will come
Awaiting the Lion's return
Mankind - who do you follow?
Maybe he'll come tomorrow
Priesthood of Sweden, your castles are burning
Down, down, down to the ground..
Reaching for fame
Playing the game, betrayed by the inner circle
No turning back, follow the plan
Pay for freedom, sell your soul
