

# Favor for a Favor

Nas

Yo Nas..

I don't think they wanna FUCK with this  
Gangsta shit.. fo' sho'  
("Danger.. danger..")

Check it out

It's on, and once again I bring niggaz the rough  
Fuckin with us, that get you motherfuckers touched  
Hit in the darkest alleys, where the super sports Rally  
Beatin up the block, leavin these motherfuckers shot  
They ain't ready for the Nakamici  
I flip this shit like I'm Kamaneze  
Now dey a motherfuckin see me  
They try to breeze me, but I got niggaz in New York  
comin kama-kize, sparkin this shit that keep me off the heeze  
Jay-Hovah, he with my man came over  
to scoop me, blowin dukey, in the black Range Rover  
Nasir, tell these motherfuckers what we came for  
Tell these niggaz why we here

Nuttin but the New York to Texas connection  
Nuttin but some real shit, what y'all expected  
Spaz out, some times dreamin, think I'm awoke  
Harsh realities of life, hit me after I smoke  
Money satisfy half of my mood, then there's a part of me  
that's distant, quiet, the most dangerous side of me  
I'm twisted like, Dr. Death, Kevorkian  
Flip shit, white gun handle, made of porcelain  
My, Houston niggaz, come through for niggaz  
Scarface get a call and we shootin niggaz  
Favor, for a favor, that's how we do business  
Tryin to make future figures, we two of the illest, what?

You wet who I want wetted, I'll wet who you want wetted  
Any nigga can get it (a favor for a favor) (3x)  
I'll wet who you want wetted, you wet who I want wetted  
Any nigga can get it

You say you got a problem? Then tell a nigga where he at  
So I can study his motions and peel his motherfuckin cap  
Where his brother go to school at? Find out some more information  
bout that bitch and hit a nigga right back  
Cause when it come down to the come down;  
I'ma pull the motherfuckin plug on him  
Walk up to his face and then gone  
Set a example, send these hoes a little message:  
They need to be more careful who they mess with, don't even stress it  
Leaded, I pull these capers all the time  
With the ugliest AK, I blow his motherfuckin mind  
Him and whoever standin by, I'll tell these niggaz, "Let's go"  
And then we fin' to ride, and he fin' to die  
He fin' to die, throwin up his own blood  
With a slug in his motherfuckin mug  
I do this outta love, cause your money ain't no good here  
Just consider that as favor, until I need a favor

You wet who I want wetted, I'll wet who you want wetted

Any nigga can get it (a favor for a favor) (3x)  
I'll wet who you want wetted, you wet who I want wetted  
Any nigga can get it

A killer code, secret untold, how we bury beef with a rose  
To his wake we send a wreath that explodes  
Beneath us sleep with the Reaper, they sleep eyes closed  
That's how real Brad Jordan keep it, to him I owe  
Five fo-fo's ready, five masks, five mercedes  
Attack em like Freddie, then we toastin over spaghetti  
I share withcha drama, you share with mine  
That's how we killin two birds at the same time  
Send my enemy's ear, I'll send your enemy's finger  
with a pinkie ring, that's just a present my nigga  
Either way the heat is grave, fuck with 'Face we bring war  
Either, you feel these bullets or the Texas chainsaw  
Not for popularity reasons, but for the love of the art  
And you my heart, I leave casualties bleedin  
Cause we keep it death for a death, life for a life  
Murder for a murder, and I got you it's vice versa

You wet who I want wetted, I'll wet who you want wetted  
Any nigga can get it (a favor for a favor) (3x)  
I'll wet who you want wetted, you wet who I want wetted  
Any nigga can get it
