

A door closed that wouldn't let me in
But another door opened so I'm beginning again

I count every step of these stairs
So hard to get from here to there
I'm coming up

You know that I'm free
I'm free

Got my head held up and the view is stunning
With the hounds on my heels, I just keep running

My heart beats deep in my chest
I won't look back and there's no time to rest
I'm coming up

You know that I'm free
I'm free
I'm free from the shackles
Free from the chains
Free from the heartache
The struggles and the pain
And I'm free
I'm free, I'm free

You know that I'm free, free
I'm free from the shackles
Free from the chains
Free from the heartache
The struggles and the pain
And I'm free, free
I'm free, free

I'm free
Free
