If you've got something else to say
Let's get it out before the end of the day
Cause it's been too long singin' the same song when we're losin'

Trouble may come (a)knockin' but you will always be a friend of

Leavin' what we knew behind, you will always be a friend of min
e, a friend of mine

So many battles we have lost
So many bridges we had to cross
But it's been too long singin' the same song oh, but we've got

mine, a friend of mine
Leavin' what we knew behind, you will always be a friend of min

All we have is our best (all we have)
We can't give any more or less
Trusting God with the rest
We can open any door

mine, a friend of mine
Leavin' what we knew behind, you will always be a friend of min
e, a friend of mine
