

# Love Like Mine

Nashville Cast

So you think that you're the one who's up in score  
Just cause you're the first one walkin' out the door  
Well take it when you leave, I don't need the sympathy

I might stay up drunk on wine  
Hurt like hell  
Ugly crying black mascara tears  
I might lock my door  
Sleep with my phone  
Miss you bad for a month or so but let me tell you something my  
dear  
I'm gonna be just fine but you're never gonna find another love  
like mine

Oh no no

See I think you think that new means better off  
But the proof's in the pudding once the shine is lost  
So go and get yourself, a little taste of something else

I might stay up drunk on wine  
Hurt like hell  
Ugly crying black mascara tears  
I might lock my door  
Sleep with my phone  
Miss you bad for a month or so but let me tell you something my  
dear  
I'm gonna be just fine but you're never gonna find another love  
like mine

It's starting to sound like a good idea  
The more we're standing here

I'm gonna stay up drunk on wine  
Hurt like hell  
Ugly crying black mascara tears  
I'm gonna lock my door  
Sleep with my phone  
Miss you bad for a month or so but let me tell you something my  
dear  
I'm gonna be just fine but you're never gonna find, no  
I'm gonna be just fine but you're never gonna find, no  
I'm gonna be just fine but you're never gonna find another love  
like mine

Oh no no

Never gonna find another love like mine

Oh no no
