

No One Will Ever Love You

Nashville Cast

Don't you try to tell me someone's waiting.
They're not waiting for you.
Oh and don't you try to tell me that you're wanted.
That you're needed.
Cause it's not true.
I know why you're lonely.
It's time you knew it too.
No one will ever love you, no one will ever love you.
No one will ever love you like I do.

Why you always looking for the limelight?
Ain't you satisfied with me?
For once why don't you get down off your high heels,
you're no big deal.
Can't you see? I know why you're lonely.
It's time you knew it too.
No one will ever love you. No one will ever love you.
No one will ever love you like I do.
I'm all you got.
I'm all you'll ever need.
I'm all you'll ever have.
