

Tell Me

Nashville Cast

I got my reasons for leaving
I got my reasons to stay
But baby if you want
You can make me stop
Yeah, you know what to say

I just want you to tell me
(?) strings in my heart
'Cause with our kind of love
We always wind up getting tangled in the dark

Tell me I'm the only one
The only one you're thinking of
Tell me I'm your queen
That I'm in your every dream

Tell me that you want me back
'Cause I'm the best you've ever had
Then love me for the night
And the rest of your whole life
Tell me

The words will flow if you feel it
I'll hang on to every one
But don't you hold them back
No point in doing that
So baby, please, come on

And tell me I'm the only one
The only one you're thinking of
Tell me I'm your queen
That I'm in your every dream

Tell me that you want me back
'Cause I'm the best you've ever had
Then love me for the night
And the rest of your whole life
Tell me

Tell me I'm the only one
The only one you're thinking of
Tell me I'm your queen
That I'm in your every dream

Tell me that you want me bad
'Cause I'm the best you've ever had
Then love me for the night
And the rest of your whole life
Tell me

Baby, tell me
Why don't you tell me?
Why don't you tell me?
