

The Giver

Nashville Cast

If it's a boat you need to cross the sea I'll build it
And if the well beside you ever runs dry, I'll fill it

Take whatever you need
Rip my heart until it bleeds
Tear me apart at the seams
Until I shiver
I'm the giver

If there's a star you love shining up above, I'll get it
If there's a space between you and all your dreams, I'll bridge
it

Take whatever you need
Rip my heart until it bleeds
Tear me apart at the seams
Until I shiver
I'm the giver

Your heart is built with limestone and gravel
Pull on my string and watch me unravel

Take whatever you need
Rip my heart until it bleeds
Tear me apart at the seams
Until I shiver, oh

Take whatever you need
Rip my heart until it bleeds
Tear me apart at the seams
Until I shiver
I'm the giver
