

# The Rivers Between Us

Nashville Cast

The rivers between us are deep  
and dark as the secrets we keep  
We stand on the shores  
time runnin' by at our feet  
Oh, the rivers between us are deep

Our love is like the moon  
rising too fast, fading too soon  
This night will soon be gone  
help me hold on

There are kingdoms to keep us apart  
so we live out our lives in the dark  
Love has a way of making you pay with your heart  
There are kingdoms to keep us apart

Our love is like the moon  
rising too fast, fading too soon  
This night will soon be gone  
help me hold on  
Help me hold on...
