

This Is What I Need To Say

Nashville Cast

This is what I need to say
There is no more time to waste
I belong to your heart
And I have from the start
This is what I need to say

This is where I need to be
No more being lonely
I won't let a day go by
Without you by my side
This is where I need to be

Oh and you
Nothing is as beautiful as you
Anything that happens we will make it through

This what you need to know
I will never let you go
I will give you my best
I will hold you when you rest
This is what you need to know

Oh and you
There's nothing as amazing as you
Anything that happens
I will always love you

This is what I need to say
There is no more time to waste
I belong to your heart
And I have from the start
This is what I need to say
