

# Without You

Nashville Cast

Without you I'm tryin' the best I can  
Without you I've lost the one thing I've ever had  
Without you this lonely is all I have  
Without you my heart feels sad

I'm a fool but I love you  
And now I'm cryin'  
Yes it's true  
If only love ain't worth tryin'

Without you empty just fills these rooms  
Without you my love's been broken in two  
Without you I can't help but wonder where you are  
Without I'm just fallin', fallin' apart

I'm a fool but I love you  
And now I'm dyin'  
Yes it's true  
If only love ain't worth tryin'  
Too much goodbyin'

Without you I could find someone to love me since you've gone  
But I know I'd still be alone without you  
Without you
