Detonator

Minesweep my soul Ready to blow Looks like it?s time to give in My fuses blown Beaten and torn Over the edge, now it begins You were my detonator Two as one Falling down Descending into the unknown Shut your eyes Look inside Shocked - but it?s too late to leave Scream for revenge Foaming with rage Too late for all apologies You were my detonator Two as one Falling down Descending into the unknown Broken hope in succesion of Broken words I had put my faith in you Stolen truth, so shocked by you Stolen truth, deception in the extreme

You were my detonator Two as one Falling down Descending into the unknown Nasum
