

## For What Cause

Nasum

Our perfect society, gives us food and shelter  
Gives us food and shelter, takes care of the weak

Lieing - for what cause?  
Raping - for what cause?  
Killing - for what cause?  
There's no reason!

Our perfect society, builds massdestructive arms  
Educates the weak in the art of death

Lieing - for what cause?  
Raping - for what cause?  
Killing - for what cause?  
There's no reason!
