

# Slaves To The Grind

Nasum

Pulling the weight  
On our shoulders  
Finding the strength  
The lost will power

Turning the wheel  
Panting for new air  
Accepting the deal  
Staying strong for the slaves

Slaves to the grind

Pushing forward inch by inch  
A slow and painful process  
Harder and harder, even faster  
A great and wonderful progress

We're pulling the weight  
We're turning the wheel  
We're slaves to the grind

We're finding the strength  
We're accepting the deal  
We're slaves to the grind
