

Listen To The Band

Nat Stuckey

Hey hey mercy woman play a song you know I'm listening
For I need help I'm falling again
Play the drum a little bit louder tell me I can live without he
r
If I only listen to the band listen to the band

Your song is to make me happy I make out and I make it along
Oh mercy woman...

Your song is to make me happy...
Listen to the band hey hey mercy woman...
