

# My Can Do Can't Keep Up With My Want To

Nat Stuckey

Well it's sad but true and some day it'll happen to you  
When your can do can't keep up with your want to  
I ain't never been much of a lover and it never really bothered  
me none  
With the whole world full of adorable women I figured I could c  
atch me one  
But lately I've got a problem and I don't know what to do  
You see my can do can't keep up with my want to  
Well my want to wants me to do everything I used to do  
But my can do can't keep up with your want to

I met a Dolly in a roadside tavern of the time and the place wa  
s right  
We had a table in the corner where the lights were low  
And the band was picking out of sight  
We were dancing to a fast little ditty but before I got half th  
rough  
I found my can do can't keep up with my want to  
Well my want to wants me to...  
Well it's sad but true...
