

# Devils Don't Fly

Natalia Kills

I heard the angels call again  
I threw myself a party  
Chardonnay and oxy  
I stopped the screams inside my head  
I remember when you had me  
Floating high like sid & nancy

They say it's not the answer  
But I can't carry on  
Cause I got nowhere, no one  
Without you boy, I'm done  
And when I'm gone  
Remember you're the one  
And just because I fight  
Don't mean that I  
Never learned how to love

You know devils don't fly  
So don't expect me not to fall  
Devils don't fly  
But god, we almost had it all  
But I got chains and you got wings  
You know that life ain't fair sometimes  
Devils don't fly... but I try

What's a girl to do when she's not strong?  
When everyone that hold my hand  
Gets cut from all the thorns?  
I used to put my ear against the wall  
To hear the screams, to hear the fall  
More reasons to escape it all

And it's not the answer  
But I can't carry on  
I give my best smile, my last dime  
But I always get it wrong  
It's not 'cause I'm young  
Or from a broken home  
Maybe I just fight  
'Cause I don't know where I belong

You know devils don't fly  
So don't expect me not to fall  
Devils don't fly  
We almost had it all  
But I got chains and you got wings  
You know that life ain't fair sometimes  
Devils don't fly... but I try

You know devils don't fly  
So don't expect me not to fall  
Devils don't fly  
But god, we almost had it all  
But I got chains and you got wings  
You know that life ain't fair sometimes  
Devils don't fly... but I try

Angels were never meant to fall  
And you were the loveliest of all  
If I thought god could fix this  
I'd pray for your forgiveness  
But I've been cast down  
Thrown out when I crossed  
To the other side

No devils don't fly

You know devils don't fly  
So don't expect me not to fall  
Devils don't fly  
But god, we almost had it all  
But I got chains and you got wings  
You know that life ain't fair sometimes  
Devils don't fly... but I try

But I try...
