

Sorry D

Natalia Lesz

Three little words I have for you
You may find this difficult
Goodbye my love, I'm leaving you
Don't make this difficult

We had our time and it was fun
But things have changed and so have I
I'll make it quick, a painless death
Let's end this now with no regrets

Trust me this is so much better
We're no good when we're together

Sorry D, I gotta leave
You're just no good for me
I'm so sorry, please don't worry
I'm moving on, moving on, moving on
It's not with you, with you, with you, with you
Sorry D, I'm history
I'm breaking boundaries
I'll be sorry if I stay here
I'm moving on, moving on, moving on
It's not with you, with you, with you, with you

I thought, I'm resolute
Don't try to change my mind
Now is the time, no second chance
This is the final dance
You say I am wrong and I'll be back
But things ain't going down like that
You say I'll fail without you near
But I loose if I stay right here

Trust me this is so much better
We're no good when we're together

Sorry D, I gotta leave
You're just no good for me
I'm so sorry, please don't worry
I'm moving on, moving on, moving on
It's not with you, with you, with you, with you
Sorry D, I'm history
I'm breaking boundaries
I'll be sorry if I stay here
I'm moving on, moving on, moving on
It's not with you, with you, with you, with you

Sorry D, I gotta leave
You're just no good for me
I'm so sorry, please don't worry
I'm moving on, moving on, moving on
It's not with you, with you, with you, with you
Sorry D, I'm history
I'm breaking boundaries
I'll be sorry if I stay here
I'm moving on, moving on, moving on
It's not with you, with you, with you, with you

Sorry D, I'm history
