

Only Love

Natalie Cole

Ooh, ooh, ooh...

Lover man
Your work is never done
You're such a lover man
But you don't love anyone

I won't be swept away
By those sexy eyes
You know just what to say
And though I'm mesmerized

Only love can make me love you
Only love, not the same old line, no
Only love can make me love you
Only love is gonna make you mine

Ooh, ooh, ooh...
Mmm-mm-mm-mm...

Night after night after night
That's how you live your life
Heart after heart after heart
You cut 'em up like a knife

But, only love can make me love you
Only love, not the same old line, no
Only love is gonna make me love you
Only love is gonna make you mine

Oh, yeah
Yeah
Whoa-whoa, oh-oh...
Yeah

Gonna make you mine, mine, yeah, yeah
(Only love)
(Only love)

Real love, baby

Oh-whoa-whoa-whoa, yeah
(Only love, only love, only love)
(Only love, only love, only love)
Ooh, I want the answer
(Only love, only love, only love)
I really need it
(Only love, only love, only love)
Your lovin' good lovin' real lovin' oh...

Only love is gonna make me love you
Only love, not the same old line
Only love can make me love you
Only love is gonna make you mine
Mine, yeah, yeah...
