Natalie Imbruglia

Take your hand and place it in my pocket flick your eyes back in their sockets put those thoughts away sometimes they're much too loud I'll take a breath and cradle your sweet head should've stayed at home in bed put that face away I'm melting for you I know, I get cold cause I cant leave things well alone understand I'm accident prone me, I get free every night the mood is mine but when the morning comes don't say you love me don't say you need me I really don't think that's fair boy I'm not so dumb but when you leave me I'll be wishing I, wishing I was there

I dreamt

about another girl in bed with you you just laughed and smiled denied the proof we're fine till I think of a problem I wish it made sense like a joke that no one gets it's a life without regret I want to feel that way, forever and ever [chorus]
